| <b>Incident Location:</b> | <b>800 Blk of East Hallandale Beach Blvd. Hallandale Beach, FL 33009</b>  |
|                           | <p>First and foremost, our hearts and prayers go out to the families involved in this tragic event. Our officers and staff at the Hallandale Beach Police Department extend our thoughts and condolences to the families involved during their time of grief.</p> <p>Officers responded to the above listed location regarding a traffic accident. Upon arrival, officers observed multiple victims on the roadway. A white Jeep was disabled in the roadway. A good Samaritan Uber driver observed the Jeep stalled out, parked his vehicle, and assisted along with his eleven-year-old son to move the vehicle out of the roadway. As they were pushing the vehicle, an adult male operating a gray Ford struck them from the rear. Upon officer's arrival, they immediately applied lifesaving actions and had the injured transported to local hospitals for treatment. The adult from the Jeep and the 11-year-old succumbed to their injuries at the hospital. The other two victims continue to be treated for their injuries at local hospitals.</p> <p>Due to Marcy's Law the identities of the victims will not be released by the police department at this time. The adult male driver of the gray Ford remained on scene, was also transported to a local hospital, has since been released and is cooperating with the investigation. We have conferred and are working with the state attorney's office as we continue to investigate this incident.</p> <p>HBPD is and will continue to do all it can to provide assistance and support to the grieving families through this tragic event.</p> <p style="text-align: center;">#####</p> |
